SALARY FOR SUPERIOR COURT JUDGES AND SUPERVISORS

We have received notification from the Judicial Council of California that Superior Court Judges' salaries were increased by \$7,505 (4.98%) per year retroactive to July 1, 2006. This action will result in an annual salary of \$158,201 for a Superior Court Judge and for each Supervisor.

This increase is based on the Government Code Section 68203 which requires that judges' pay be increased based on the average increase received by state employees. It is in addition to the previous increase of 1.03% granted retroactive to February 1, 2006.

The above salary will be adjusted again to \$171,648 on January 1, 2007, adding an 8.5 percent increase authorized by Assembly Bill 1811. It is also anticipated that judicial salaries will be further increased on July 1, 2007, pursuant to Government Code Section 68203.

The Auditor-Controller advises the new salary and the retroactive payments for July through October 2006 will be reflected on the November 15, 2006 payroll.
